EPR SERVICES

WHAT WE PROVIDE

ANTI-BANKRUPTCY GUARANTEE

Add bankruptcy insurance to ensure the recovery of products sold in the event your company goes bankrupt or exits the EU market.

PROFESSIONAL CONSULTING FOR EPR COMPLIANCE

Interpretation of compliance regulations and requirements including compliance processes, product classification and information required.

The requirements vary by country, for instance, can the manufacturer fulfill the EPR obligations for the distributor ?

Can the downstream use the upstream account? we provide one-stop consulting services !

EPR REGISTRATIONS

Determine your sale region, before placing your product on the area, complete EPR registration and obtain an EPR registration number to help you sale legally.

we will draw on deep regulatory expertise to deliver tailored, accurate compliance support.

PROPERLY FULFILL LABELING OBLIGATIONS

In accordance with local laws and regulations, affix compliance labels to products in the correct manner to ensure compliance with local requirements.

QUANTITY DECLARATION

Report the quantity or weight of products already sold in a timely manner in accordance with the law, and fulfill the quantity reporting obligation.

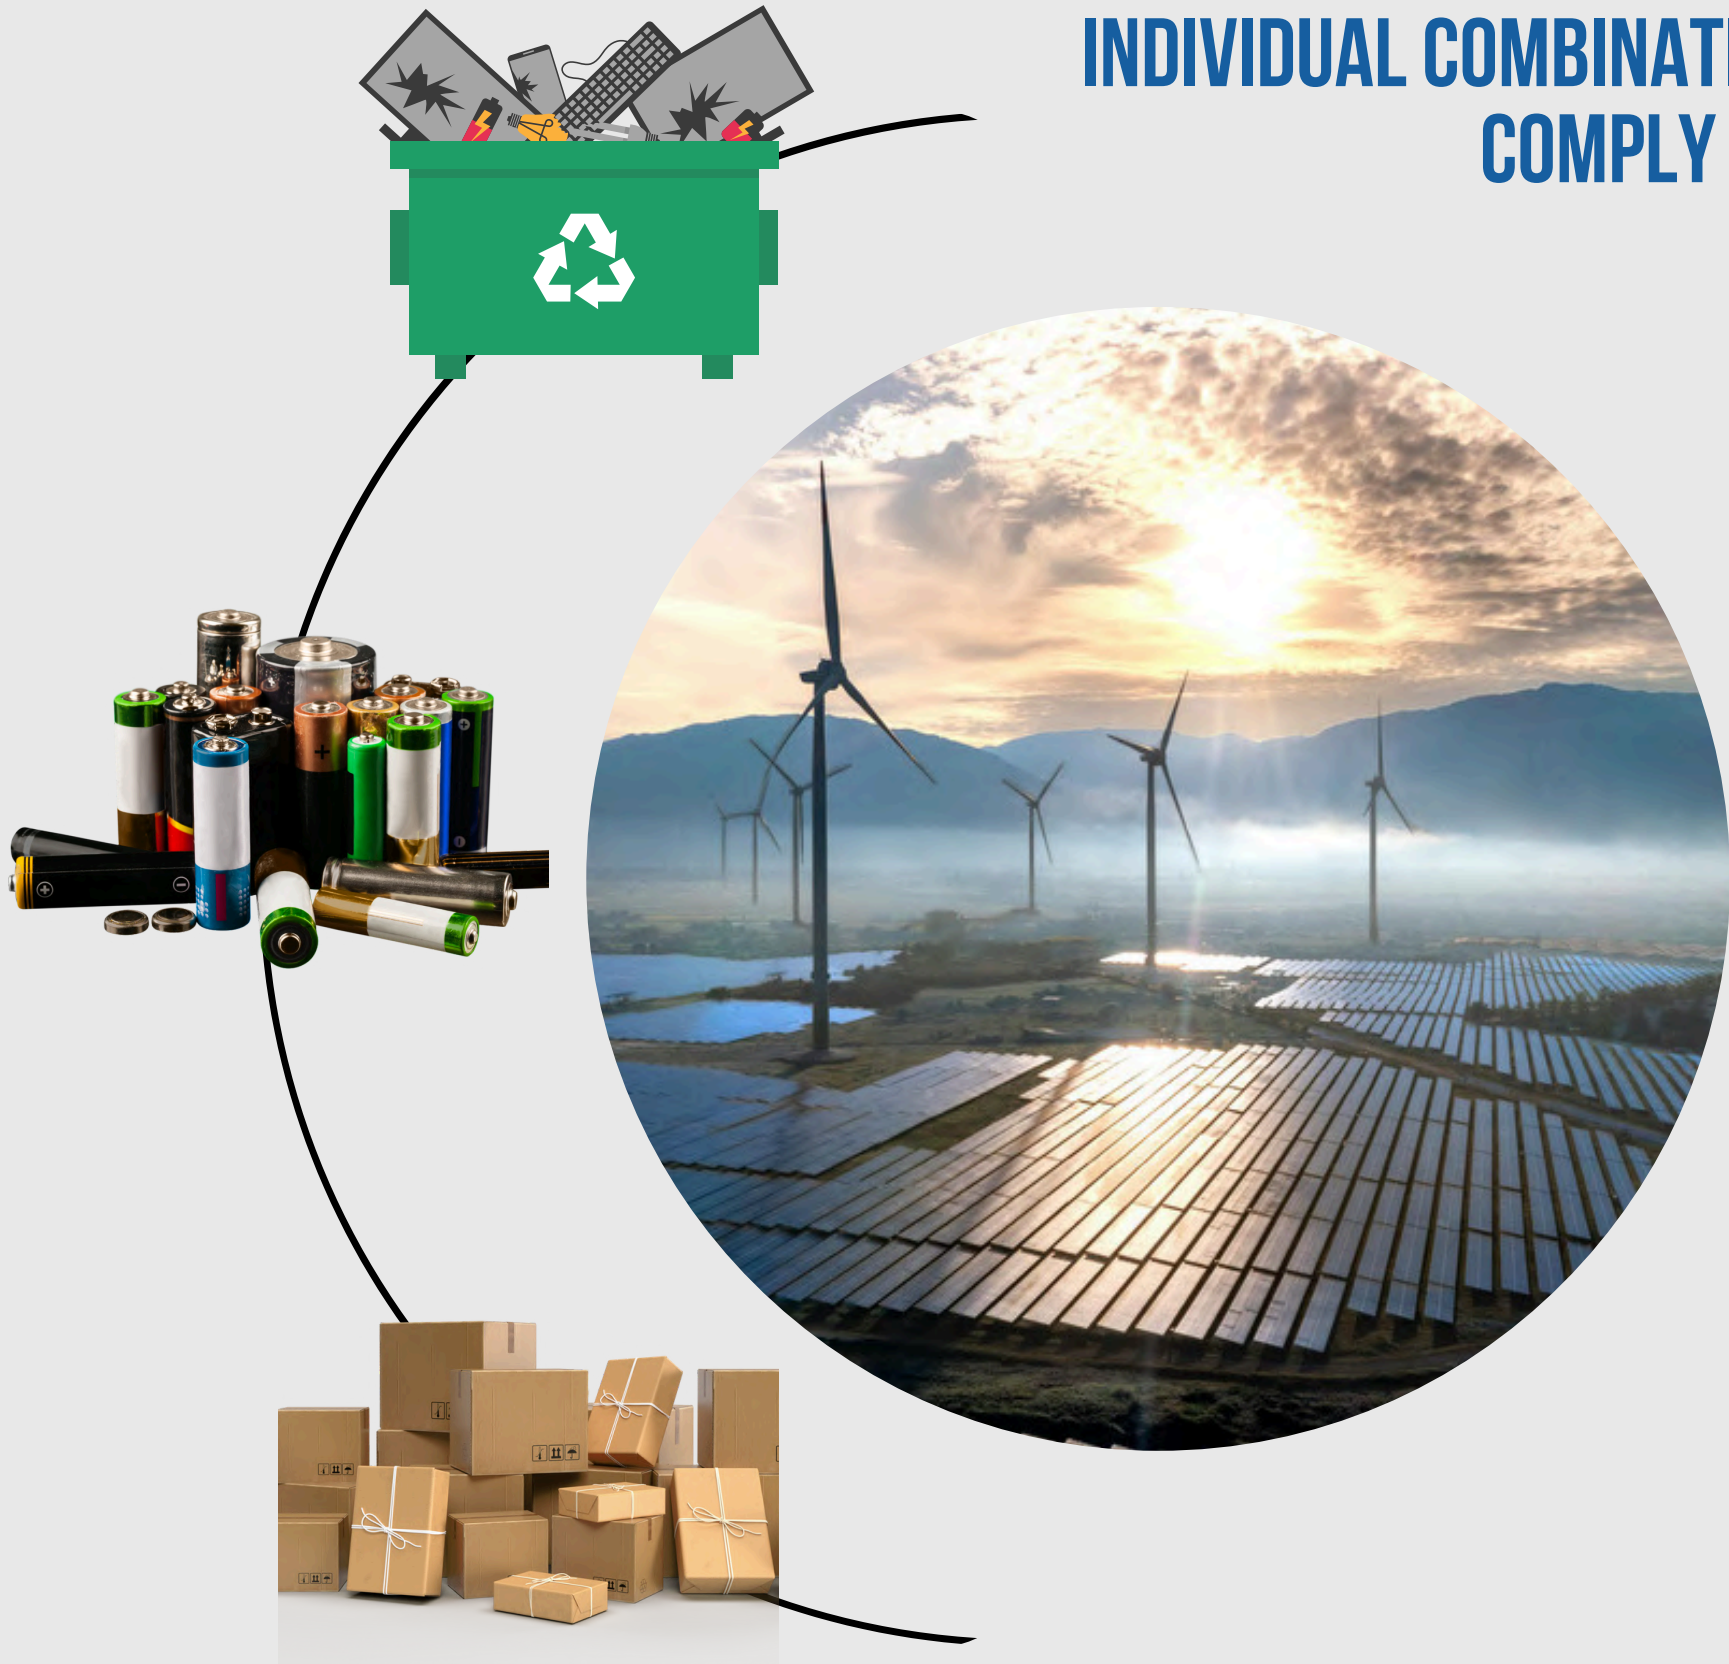

FULFILL RECYCLING OBLIGATIONS

Recycling obligations in accordance with local laws and regulations to help you accurately fulfill EPR compliance.
